

VISION AND VALUES

OUR VALUES

Together, we

To reach the objectives of EverZinc we all need to contribute

Be an actor of the future of EverZinc !

OWN · TAKE INITIATIVES · BE PROACTIVE

CONTRIBUTE

PUT A BRICK IN THE WALL

SIMPLIFY

Anything with no value for the customer should be trashed. We are never afraid to be challenging on what we do.

No Waste process, no non added value activities, only efficiency.

KEEP IT SIMPLE

BE LEAN · STANDARDIZE · ASK CLEVER

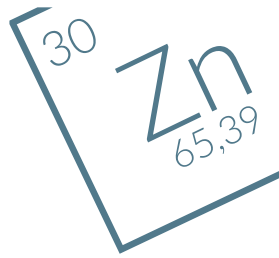

Continuous improvement is utmost important in developing our business, therefore each of us needs to be a locomotive in our domain. Status quo is not an option.

PERSEVERE · BE CONSTRUCTIVE · SUGGEST

IMPROVE

WE WANT MORE

INNOVATE

Develop innovative but robust and relevant new ideas, follow trends closely, understand your customers unmet needs. Think differently and dare to break the rules.

EXPERIMENT · BE CREATIVE · SHARE

THINK OUT OF THE BOX

We are proud of what we do for EverZinc. We keep a positive state of mind and we treat our colleagues and relations in a positive way. Be a part of your professional fulfillment.

RESPECT · BE PROUD · BE POSITIVE

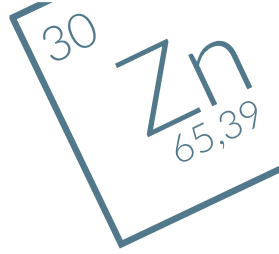

ENJOY

FEEL GOOD ABOUT WHAT YOU DO

To develop Everzinc.

OUR VISION

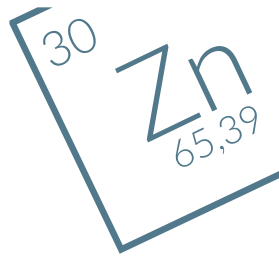

EverZinc, Global & Reliable Partner.

We offer technological and innovative solutions that care about our environment.

Respect & Entrepreneurial Spirit drive our team.

Our operations are global as well as our customers. In terms of zinc products, we are always searching for new products where we are not in. In terms of services, the expertise of our teams is an added value for all our partners.

GLOBAL

SKY IS THE LIMIT

RELIABLE

In case of failure, we do everything we can to remediate as soon as possible. We are in a process of continuous improvement of the quality of our products and services to our customers.

WE ARE RELIABLE BECAUSE WE CARE

EverZinc is a partner for customers, suppliers, workers, local communities, authorities, unions, ... We take care of our environment.

PARTNER

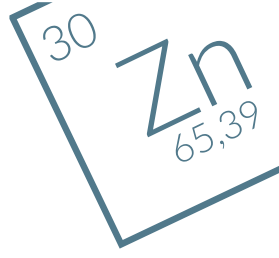

MORE THAN A SUPPLIER, WE ARE A PARTNER

TECHNOLOGICAL SOLUTIONS

EverZinc is owner of a large variety of technologies of transforming zinc into added value products. We create value in terms of processes, products and services.

FOCUS ON THE DEVELOPMENT AND MANUFACTURING OF TECHNOLOGIES.

We think forward, plan & execute to expand our horizons.
We take personal initiatives to explore new trends, new products, new solutions, new markets or new ways of doing business.

INNOVATIVE

KEEP YOUR EYES OPEN FOR NEW TRENDS

ENVIRONMENT

As part of our commitment to sustainability, we take into account the environmental impact of our operations and seek continual improvement of our environmental performance.
As leading recycler, EverZinc recovers value from used materials.

MINIMIZE THE ENVIRONMENTAL FOOTPRINT

We are transparent and open, we listen and accept differences, deal fairly and we honor commitment. We are a team and the respect between the team members is essential.

RESPECT

TREAT OTHERS BETTER THAN YOU EXPECT TO BE TREATED

ENTREPRENEURIAL SPIRIT

We think anything is possible and have the tenacity to accomplish it.
